

ABBEGATE

Sixth Form College

HISTORY

Entry requirements:
Minimum of 5 GCSEs at Grade 4 - 9 and
minimum Grade 5 English Language or a Humanities subject

STUDENT PROFILE

Debate and discussion will be central to learning, but you will also have opportunities to work independently; if you enjoy these ways of learning then you will enjoy History.

If you would like to improve your analytical skills, learn how to weigh up evidence and draw your own conclusions then History is for you.

History combines well with other subjects, including Mathematics, Science, English and Modern Foreign Languages, as well as other humanities subjects; if you are thinking about these subjects then consider History.

PROGRESSION

Students who study A level History have access to a wide range of career and higher education opportunities. It is also useful if you are keeping your options open.

By the end of the course you will have learned to evaluate and analyse information, work independently, weigh-up evidence and communicate complex ideas effectively.

All these skills are recognised and valued by employers, universities and colleges. History provides a basis for a number of popular careers, including Journalism, Law and Business.

STUDENT VIEW

"History is all about people, about understanding why people did the things they did, about the complexity of life."
